MODULAR BAR COLLECTION

Adding to the ease of holiday entertaining, our modular bar system lets you combine components to fit your space. At far left, three hutches top wine grid bases to make a large, open entertaining center. At near left, three wine grid bases line up to create a console with generous space for pouring and serving.

Modular Wine Bar

A. Built with a mahogany wood frame, this bar stylishly assumes the role of the once common built-in version, while offering the ability to enlarge and reconfigure. Each base unit has a breadboard pullout for mixing and serving, a fixed rack that holds two dozen bottles of wine, plus a storage drawer for corkscrews, linens and coasters. The hutch fits directly on top, with a rack for hanging cocktail and wine glasses, plus an open shelf for storing decorative bottles. Multiple units can be joined seamlessly, maintaining the look of a single piece. Finished with a mahogany stain and antique bronze hardware. •91-4790812 Catalog/Internet Only
