

CHARLES COUNTY DRUG TAKE BACK

The **Drug Take Back** service provides our community with a safe, convenient, and responsible means of disposing of all medications.

The Drug Take-Back service addresses a crucial public safety and public health issue. According to the 2014 National Survey on Drug Use and Health, 6.5 million Americans abused controlled prescription drugs. That same study showed that a majority of abused prescription drugs are obtained from family and friends, including from the home medicine cabinet.
