Competitive Teams

Elite offers USAG competitive team: levels 2-10. USA Gymnastics is the sole national governing body for the sport of gymnastics in the United States. This designation comes from the U.S. Olympic Committee, and the International Gymnastics Federation (FIG). The competition season usually begins in November and ends in spring. Our competitive gymnasts will travel to various gyms both in Maryland and throughout the United States.

Pre-Competitive Teams

Elite offers three pre-competitive groups Future Stars, Baby Eagles and Little Eagles by placement only. These groups are designed to prepare gymnasts who demonstrate skills and readiness needed for competitive programs, to cross over into our USAG competitive gymnastics program. These groups do not compete.

Recreational Gymnastics

Program teaches achievable goals, frequent success and tangible rewards. Our curriculum uses a beginner to advanced level system to track achievements.

Skills are broken into achievable steps. Elite nurtures an environment where children have an opportunity to be successful and feel like winners.

Sessions consist of eight classes. Placement depends on age and skill level. For safety reasons, all class sizes are limited to a maximum number of participants. Charles County is... Going to the Dog Parks!

Did you know there are **TWO** dog parks in Charles County?

Public off-leash exercise areas, operated and maintained by Charles County Government, help provide safe, legal areas in which dogs can run, play, and socialize. We invite residents to visit with their dogs to enjoy these unique facilities.

The parks offer two separate fenced areas – A large area designed for general dog play and a smaller area for smaller dogs and puppies (at least 4 mos. old). The smaller area is also great for shy dogs not quite ready to socialize in the larger play area.

**For more information,
please call 301-932-3470**
