### Seminar Series – February 4, 2011

As part of a Continuing Seminar series by the Department of Planning and Growth Management, a seminar on the Fair Share School Construction Excise Tax is scheduled for February 4, 2011 at 9:00 am in the County Commissioners Meeting Room, which is located on the first floor of the Charles County Government Building in La Plata, Maryland. The Fair Share School Construction Excise Tax (Excise Tax) was passed in 2003 to impose a tax on new home construction for the purpose of building new schools to accommodate the students generated from new home building. This Seminar is targeted to professionals associated with the Home Building and Real Estate Industries. The County Treasurer's Office and Resource and Infrastructure Management Staff will be discussing the Excise Tax policy, application to properties, as well as disclosure strategies and exemptions.
