Stormwater Management Summary Sheet & Notice of Construction Completion Form

The purpose of this notice is for the revision of the Charles County Stormwater Management Summary Sheet and the Notice of Construction Completion Form. The revised documents are necessary in order to comply with the latest requirements of the County's National Pollutant Discharge Elimination System (NPDES) Municipal Separate Storm Sewer System (MS4) permit.

The new Stormwater Management Summary Sheet will replace the documents within Appendix 3 of the Plan Preparation Package (June 2012).

The new Notice of Construction Completion Form will replace the documents within Appendix 19 of the Plan Preparation Package (June 2012).

These revised documents will be effective on this release date.
