**Watershed Protection & Restoration Program
 Stormwater Remediation Fee Credit Application**

Instructions:

1. No application fee is required.
2. Check appropriate credits, for a maximum of 50% credit, which will be applied for three years.
3. Provide verification documentation in the form of copies of documents, receipts, photos, etc.
4. Return the completed form with appropriate verification documentation to: Charles County Department of Planning and Growth Management, Planning Division, P.O. Box 2150, La Plata, MD 20646.
5. Form and verification documentation must be received by October 31st of the year prior to the Tax Bill to which the credit will be applied. (Three year credit will be applied, beginning on next year's Tax Bill.)
6. For questions related to this application, please call the Planning Division at: 301-645-0540.

Name of Property Owner(s) (please print) _____

Mailing Address: _____

Address of Subject Property (if different from Mailing Address): _____

Phone Number: _____

Property Account Number from Tax Bill: _____

1. For residential property, verify and check which of the following applies:

- a) _____ The subdivision and/or housing development or individual home was constructed after July 1, 2001, and meets the *2000 Maryland Stormwater Design Manual, Volumes I and II*. Therefore my property qualifies for a 50% fee credit.
- b) _____ The subdivision and/or housing development or individual home was constructed prior to July 1, 2001 but the property includes the use of one or more of the following stormwater management treatments and therefore my property qualifies for a 50% fee credit:
 - _____ i. Two or more rain barrels, totaling 120 gallons or more;
 - _____ ii. A rain garden to capture stormwater runoff from at least 800 square feet of impervious surface;
 - _____ iii. The installation of pervious pavement area of at least 800 square feet;
 - _____ iv. Home Landscape is Certified as "Bay-Wise";

_____ v. Other stormwater management facilities that infiltrate or filter stormwater runoff including:

2. For agricultural and forested property, verify and check which of the following applies:

- a) _____ My property is covered by a current Forest Management Plan, prepared by a licensed Forester. Therefore my property qualifies for a 50% fee credit.
- b) _____ My property is tax assessed as agricultural, and covered by a Soil Conservation and Water Quality Plan that is approved by the Charles Soil Conservation District. Therefore my property qualifies for a 50% fee credit.

3. For non-residential property, verify and check which of the following applies:

- a) _____ The development or subdivision was constructed after July 1, 2001, and meets the 2000 Maryland Stormwater Design Manual Volumes I and II, and therefore this property qualifies for a 50% fee credit.
- b) _____ The development was constructed prior to July 1, 2001, but includes the use of stormwater management facilities which meet the 2000 Maryland Stormwater Design Manual Volumes I and II standards as verified by a professional engineer, and therefore this property qualifies for a 50% credit. A statement and description from a professional engineer is required (please attach signed statement).

Verification Statement: *The information submitted is true and accurate to the best of my knowledge. I furthermore grant to Charles County the right of entry and inspection of the property with regards to such stormwater facilities and practices.*
