

CHARLES COUNTY CRITICAL AREA MAP

710 713 716 719 722 725 728

PREPARED BY THE CHARLES COUNTY DEPARTMENT
OF PLANNING AND GROWTH MANAGEMENT – MAPPING

39

SCALE 1"=600'

note:
As per law, the Critical Area boundary was determined using the shoreline established by the 1970 Maryland Tidal Wetlands maps. The shoreline shown on this map is consistent with the County's base maps and may not coincide with the shoreline on the Maryland Tidal Wetlands maps. The 1970 Maryland Tidal Wetlands maps are to be used for further guidance.
