MEDICARE SUPPORT/Corona Virus (COVID-19)

We are happy to inform you that The global Medicare insurance Group in affiliation with Maryland Health Connection have initiated a health protection programme to fight the spread of the outbreak of Corona Virus (COVID-19) in the state of Maryland and Washington D.C., have approved the release of COVID-19 support fund to help individuals before any possible lock-down in this two states.

We would be taking full measures to ensure all beneficiaries receive their support payments before April 20 2020, as our accounting department in affiliation with our financial partner, [SIGNAL FINANCIAL CREDIT UNION] have set-up a secured payment Channel via automated clearing house (ACH) for the disbursement of this support fund.

Please be informed that each beneficiary has been assigned to an accounting agent who will give you the step-by-step guidelines to receiving your support fund, you are advised to contact your assigned agent within 5 business days after receiving this letter to avoid liquidation of your support fund.
