> Attention Board of Appeals,

>

> Hello, my name is Amanda Nash I live at 4305 Stillwater Lane, Waldorf, MD 20601. I have gone to both board meetings and to my knowledge there has been very little talk about getting the variances for becoming a "slaughterhouse". It's all concerning the road (Petzold Drive). This road is not a subdivision with covenants. The neighbors shouldn't decided what one person can and can not allow on his property! They should of thought that threw before the land was subdivided!

> If the opposing neighbors are worried about the safety of their children, I don't think their children need to play out in a road anyways. Thats what a yard is for.

> As tough as the economy is now I don't think a families business should be shut down due to a few opposing neighbors having nothing to do but pick on the Turners and blame them for the road.

> I know that one of the opposing neighbors even have a Photography business running out of her house, she even did the wedding photos for my cousin!

> The opposing neighbors are making a bigger deal out of this than it needs to be.

> The Turners are a nice family and they are just trying to make a living just like everyone else.

>

> Please save this business from closing its doors!

>

> Sincerely,

> Amanda Nash
