Explanation of New Fees

- 3 Senate Bill 236 requirement. The fee will cover public hearing notices and staff review related to environmental assessments and economic fiscal impact reviews and presentation at a public hearing. Reviewed by County Attorney.
- 5 This fee is to cover added expenses for re-advertising projects that were postponed or delayed due to requests for additional information on the project. The fee will also cover staff time to evaluate and present the information or conditions. Reviewed by County Attorney.
- 7 Fee was set up as a flat fee of \$570. This change establishes a fee dependent upon total acreage. The amendment work varies by degree of complexity but the work required is at least half of the work required for the original application. Therefore, the fee is proposed as 50% of the original rezoning fee which is as follows: less than 100 acres = \$3,473; greater than 100 acres = \$9,099, creating proposed fees of less than 100 acres = \$1,737; greater than 100 acres = \$4,550.

- 11 For Permits that are inactive for longer than 6 (six) months there will be no refund. The fee is a standard \$50. If work has not been started, then inspection fees will be refunded after payment of void/cancellation fee. If work has been started, then there will be no refund and the void/cancellation must be paid. Authority for void/cancellation fee is granted in the 2015 International Building Code Section 109.6.
- 14 The Permit Revision fee has previously been charged at a flat rate of \$44 regardless of the time incurred to revise the permit. This change is to establish a fee dependent on whether the revision is considered minor or major. Minor revisions are revisions that can be completed on same day which are usually for, but not limited to, home improvement type permits such as pools, decks, detached garages, sheds, porches, etc.. Major revisions are revisions for the larger more complicated permits that take multiple days (non same day) to complete. Major revisions are usually for, but not limited to, large residential additions, new family dwellings, and all commercial permits.
- 18 The additional hourly rate is to address resubmittal plans needing to address outstanding comments generated by original or revised plans. At the present time, the County does not have the ability to charge a fee for additional reviews by our Stormwater Management Engineer and instead currently charges a standard \$122 per hour. The County proposes changing this to have a minimum fee of \$140 and an hourly rate fee of \$122 to address the concern with free reviews being done on incomplete or inaccurate Stormwater Management concept plans.
- 22 Sewer "Only" Metered Customers are billed a flat rate sewer fee based on the average usage of a Water & Sewer Customer. The following fees are for the cost to purchase a meter up front so that the customer may be billed for Sewer fees based on their actual water usage. Previously these costs were paid per quarter for a ten (10) year period. In FY2016, the rate charged per quarter for a customer purchasing a Sewer "Only" Meter was \$5.00. Having customers pay for the meters up front eliminates problems that are associated with tracking quarterly payments over a ten year period. Mostly affects individuals living in the Cobb Island area.
- 24 Cost of a meter for a 5/8 inch pipe. This is the standard size and most requested size for Cobb Island.
- 25 Cost of a meter for a 3/4 inch pipe.
- 26 Cost of a meter for a 1 inch pipe.
- 27 Cost of a meter for a 1.5 inch pipe.
- 28 Cost of a meter for a 2 inch pipe.
- 31 In previous years the cost to dispose Tractor or Off-Road Vehicle tires was dependent upon whether they were "on rim" or "off rim", \$25 and \$62 per tire, respectively. This fee is requested to remove the stipulations of "on rim" and "off rim" and establish a standard fee of \$200/ton, to be pro-rated, for Tractor and Off-Road Vehicle tires being disposed.
- 33 The Small Meeting/Event Permit fee is charged to cover the rental of the outdoor areas around the Port Tobacco Historic Village courthouse, courtroom, and restroom facilities for up to 50 guests. The Fee is charged at \$75 per hour for up to three hours. Reviewed by County Attorney.
- 34 The Special Event Permit is charged to cover the rental of outdoor areas around the Port Tobacco Historic Village courthouse, courtroom, restroom facilities, and Stagg Hall. The fee is charged at a price of \$550 for the first four (4) hours and an Onsite Event Coordinator must be onsite for the duration of the event.
- 35 In conjunction with the Special Event Permit, there will be a required \$75 Refundable Security/Property Damage Deposit. After the Onsite Event Coordinator and the Event's Contact reviews the facility and property and if the rental checkout list has been satisfied and there are no damages to the building and/or grounds, the Refundable Security/Property Damage Deposit will be returned via mail following the day of the event.
- 36 The Additional Hours fee is for Special Events that intend to last longer than the four (4) hours provided by the Special Events Permit. The cost of an additional hour is \$75 per additional hour.
- 37 The Storage Fee can be purchased with the Special Events Permit for a cost of \$75 per day. Storing items inside the Stagg Hall garage is permitted for up to two (2) days prior to and two (2) days following the event.
