Office of Domestic Preparedness thru Maryland Emergency Management Agency	97.042	Emergency Management Performance Grant Program (EMPG)	FFY2012 Emergency Management Performance Grant	Grant funds are awarded for the purpose of providing a system of emergency preparedness for the protection of life and property in the United States from hazards and to vest responsibility for emergency preparedness jointly in the federal government and the states and their political subdivisions. The intent of the FY 2012 EMPG is to provide grant funding to assist state emergency management agencies in obtaining the resources required to support the National Preparedness Goals (NPG) associated mission areas and core capabilities. The federal government, through the EMPG Program, provides necessary direction, coordination, and guidance, and provides necessary assistance, as authorized in this title so that a comprehensive emergency preparedness system exists for all hazards. The FY 2012 EMPG Program plays an important role in the implementation of Presidential Policy Directive 8 (PPD-8) by supporting the development and sustainment of core capabilities. Core capabilities are essential for the execution of each of the five mission areas outlined in the NPG. The development and sustainment of these core capabilities are not exclusive to any single level of government or organization, but rather require the combined effort of the whole community. The FY 2012 EMPG Program supports all core capabilities in the Prevention, Protection, Mitigation, Response, and Recovery mission areas based on allowable costs. These funds were utilized for Emergency Management personnel and radio equipment.	EMW-2012-EP-00005-S01 / 97-042 (MEMA GMS# 12-SR-8843-03)	06/01/12-02/28/14	50,417	50,417
