Dear Business Colleague:

We are pleased to provide you with a copy of the Maryland Department of Transportation (MDOT) Minority Business Enterprise (MBE) Directory that lists all of the MDOT certified Charles County businesses located in Charles County, Maryland.

The Maryland Department of Transportation's (MDOT) Office of Minority Business Enterprise (OMBE) is Maryland's official certification agency for the Minority Business Enterprise (MBE) Program, the Disadvantaged Business Enterprise (DBE) Program, the Airport Concessions Disadvantaged Business Enterprise (ACDBE) Program, and Small Business Enterprise (SBE) Program.

MDOT certifies only bona fide MBEs/DBEs/ACDBEs and SBEs to participate on state contracts and has a thorough and comprehensive certification program to ensure authenticity. The attached MBE Directory is sorted alphabetically by company name. However, if you wish to recreate this report and sort it by industry classification, or some other sort criteria, you may do so by logging on to MDOT's website and downloading the report into Microsoft Excel. Visit their website at:
