The Planning Division has updated the Final Plat Application with a Fee Calculation Guide Sheet.

The Planning Division has created Condominium and Boundary Survey Applications to help applicants understand what Planning Division Staff reviews on these types of plans. These applications should provide uniformity regarding condominium and boundary survey plan submission and review.

Copies of all applications may be obtained in the Planning Office located on the second floor of the Charles County Government Building in La Plata, Maryland or on-line under the Department of Planning and Growth Management section at: <http://www.charlescounty.org/pgm/planning/publications>. Each application (final plat, boundary survey, or condominium application) will be listed and may be selected for further information.
