LATE ARRIVALS FOR BUILDING INSPECTIONS

This notice is to inform you of policy changes at Planchek, Inc. – respecting delays in arriving at projected times. Planchek Inspectors are now required to notify their office of significant delays greater than thirty (30) minutes. The office staff at Planchek will notify the permit holders anticipating an earlier arrival. Additionally, if delays extend past 4:00 p.m., the permit holder will be afforded the opportunity to reschedule a failed inspection the following morning even when inspection volume would otherwise preclude that request.

In order for this policy change to be able to effectively assist the permit holder, please make sure that accurate contact numbers are given on the permit application.

For additional information you may contact Mr. Don Litten, Jr., Building Code Official at 301-645-0681 or via e-mail at littend@charlescounty.org
