### INSIDE DROP MANHOLE CONNECTION

The purpose of this notice is to revise standard detail S/1.06 to the Standard Detail Manual adopted July 1995. This detail will provide controlled drop by using inside drop bowl.

This revision to the Standard Detail Manual will ensure better control to the drop of effluent inside a sanitary manhole.

Revised Standard Detail S/1.06 will be effective on this release date.

To review the revised standard detail, please click [here](#). To view the complete Detail Manual - Sewer, please click [here](#).
