STANDARD UNIT PRICE LIST

The Charles County Standard Unit Price List is being updated. The Unit Price List is used as the basis for estimating the cost of developer projects for the purposes of establishing review fees, inspection fees, and bonding.

The Standard Unit Price List has been revised to account for inflation. Effective July 1, 2015, the Unit Price List will be updated which will result in approximately **0.4% increase** in unit costs.

The requirements will apply to all Development Services permit applications received on or after July 1, 2015.

A copy of the FY16 Standard Unit Price list will be available free at the Government Building Permit Office or at www.charlescountymd.gov on or about July 1, 2015.
