### REVISIONS TO STANDARD SPECIFICATIONS

The purpose of this notice is for revision of the Charles County Standard and Specifications for Construction Manual, adopted May 1996. The revisions are necessary to comply with current industry standard.

These revision only include Control of Work (GP-5), Water Facilities (Sections 02551 thru 02555), and Sewer Facilities (Sections 02561 thru 02566). These revisions are available on the Charles County website for immediate use.

A copy of these revisions can be obtained on the Charles County Government website ([www.charlescountymd.gov](http://www.charlescountymd.gov)) and through one of the links below.
