2015 IECC Residential Training

Charles County adopted the 2015 International Energy Conservation Code in June 2015. The Maryland Energy Administration is providing free 2-hour training on the residential provisions of the new Energy Code.

Date: Thursday, April 7, 2016

Time: 9:00 AM – 11:00 AM

Location: Commissioners' Hearing Room
Charles County Government Building
200 Baltimore Street, La Plata Maryland 20646 (MAP)

The training will focus on the requirements of the energy code, the science and reasons behind those requirements, and strategies for meeting code. Participants will be encouraged to ask questions.

Trainer: Joe Nebbia, Newport Partners, LLC

Register at no cost at www.marylandubuilders.org or return form.

About the trainer: Joe Nebbia is a national buildings researcher and consultant with a focus on building science, economics, and regulation. An energy code expert, Mr. Nebbia is an MBIA associate member and an active participant in the MBIA Codes & Standards Committee.
