

## Business Occupations and Professions Article Annotated Code of Maryland

*§12–306(c)(2) Only a master plumber or journey plumber possessing certification shall be authorized to certify the installation and testing of mechanical cross connection control devices.*

All plumbers conducting backflow installation repair or testing within Charles County are required to register with the County's Cross Connection Control Specialist.

Plumbing firms wishing to be added to, or removed from this list must contact the Charles County Cross Connection Control Specialist. This list is not intended to represent all licensed plumbing firms; subject to the following, customers may use any licensed plumbing firm that is not on the list:

If you elect to use a plumber not on this list, please have your plumber contact the Cross Connection Control Specialist at 301–609–5606 before beginning any work. Plumbers not already on this list will be required to produce the following documentation:

- Plumbing License
  - State of Maryland Master or Journeyman Plumbing License, or
  - WSSC Master or Journeyman Plumbing License (not reciprocated)
- Current Backflow Certification from a State of Maryland recognized course
- Current test gauge certification
- Plumbers contact information (Company name, address, phone number, etc.)

**Disclaimer:** *This list of plumbing firms was assembled by the Charles County Department of Public Works–Utilities (DPW–Utilities) as a convenience to our customers. Inclusion on this list is entirely voluntary; the list is intended solely and simply to be a compilation of plumbing firms who have declared that they provide cross connection/backflow preventer related plumbing services. DPW–Utilities has verified that firms on this list are licensed and certified in accordance with Maryland regulations to perform these services. **These firms do not work for, nor are they associated in any way with DPW–Utilities and DPW–Utilities assumes no liability for any work performed by a listed company..***

*DPW–Utilities does not endorse or recommend any company on this list, nor does it set pricing by these companies. DPW–Utilities suggests that customers obtain several estimates before hiring a plumbing firm to test your backflow preventer or provide any other plumbing services.*
